

SCC minutes for February 13, 2017

Outlined process for Land-Trust Funds approval

Reviewed last year's goals and data

Discussed concerns of SAGE testing

- High opt-out rate
- Only about 150 out of 300 students tested

SCC noticed that measurements were not indicative of progress to goal #1

- Science was not represented

Discussion of overnight trips

- Journalism Conference
- Washington DC – Should we do again next year?

Discussed potential screening of Screenagers

- Movie about teenagers, brain function, and screen time
- Promotes parents as role models
- Includes Strategies
- Ages 10+ (meant for students and parents)
- March screening open to public OR \$650 for own screening
- Can the school justify the cost?
 - Probably not
- Do we have other methods of sharing this information?
 - Mentor contact with parents?
 - School e-mail to notify of March showing
