

Innovations SCC Meeting Minutes November 11, 2019

Meeting started at 5:05 pm

Attending: Maribel Mandujano, Sergio Mandujano, Karen Larson, Bonnie Wilson, Chris Walter, Pam Pedersen

SIC update:

- **Credit recovery discussion in process with staff. Many classes available now if mentor teacher and student agree they are needed.**
- **Potential for 10th graders to not be able to take SLCC classes; Pam in discussions with SLCC concurrent enrollment**
- **Looking at ways to test competence for Spanish and Arabic (for school credit)**

Quick Updates:

- **Progress reports being sent out, aspire testing results are included in the mailing.**
- **Digital citizenship follow-up and handout; document on our website to address this issue. District personnel can come to talk more about it if we request it.**

Finances update:

Student scholarships for next semester:

- **Application window for spring semester will open November 15th. They will be reviewed and accepted on a rolling basis. Forms will be in the office. The scholarship is for \$500 and must include 10 hours of service to be accepted.**

Parent discussion items:

- **Innovations recruitment for next year: Parent help requested in designing our recruiting message, advice on how to reach different communities. Teacher team working on a video highlighting the stories/reasons that our current students came to Innovations. Parents opted to discuss this later when more info is available.**

RTI update for Innovations: More information on this later.

Principal update and Q&A

- **Pam shared slides (Power Point) about student success plan that she will be presenting to district leadership:**
- **It shares information about interventions, Math and Physics activities, students recognized for math achievement and an increase in relevant field**

trips

- **Excellence and Equity: Inno strategies to achieve this for all students**
- **Three Year Priorities and Current Goals:**
 - **Whole School Academic Goal: Increase # of students proficient in reading by 10% - measured by RI testing**
 - **Gap goal: freshman secondary Math I on track completion rates will increase from 46% to 70%**
 - **Climate/Culture goal: increase numbers of students doing service at Whittier Elementary and other venues**

Reading, RTI and Other

• **SHARP Survey which measures Student Health and Risk Prevention results were shared and handouts provided. Initial conversation about the things we notice. Conversations will occur further with staff and in future SCC meetings.**

• **RI data with Dana Savage (shared in PP presentation)**

Other: Concurrent enrollment for next semester is happening now! Make sure students talk to Nicole now.

• **Bulletin boards in the office have updated information on Concurrent steps for SLCC**

Adjourned at 6:35 pm
